

Pepper Bells

Welcome to Pepper Bells Weddings!

Our Bell tents are beautiful canvas structures each spanning a 5m or 6m circumference. All tents have zipped in ground sheets to keep the bugs out and the warmth in!

The 5m bells ideally sleep 4 adults and the 6m bells ideally sleep 6 adults when using raised airbeds but we have been known to squeeze more people in when required! Just give us a call and we can discuss your individual needs and suggest the best options for you!

Our tents can be configured individually to meet your needs. We have real beds available for our bride and grooms, full size raised airbeds (standard), full sized low airbeds (great for squeezing more people in) and even beds for young children.

Below are the packages and prices available for our 5m bells but please don't hesitate to contact us if you would like something not listed. Prices for the 6m bells will be given on request. Prices cover stays of 1 to 3 nights.
