**Welcome to Pepper Bells Glamping!**

Our bell tents are beautiful canvas structures each spanning a 5m or 6m circumference and all have a zipped in groundsheet.

The 5m bells comfortably sleep up to 4 adults and the 6m bells comfortably sleep up to 6 adults.

If you are unsure which option is best for you, just give us a call and we can discuss your individual needs and suggest the best options for you!

Our tents are individually configured to meet your needs and we offer both double and single beds but our double beds are not suitable/available for single occupancy due to the middle bar design.

On our single camp beds, we use comfy self-inflating mattresses and we also use single sprung Jay-Be beds. We use memory foam mattresses on the double camp beds.

Our prices are fixed and are based on stays from 1 to 3 nights, in line with the host booking; unfortunately, we do not offer a discount for shorter hires or under occupancy.

Below are the packages and prices available but please don't hesitate to contact us if you would like something not listed.
